Child Care Connections introduces, Denita Dinger, child care provider, and author. Denita obtained her BS in Elementary Education from NSU in Aberdeen South Dakota. Denita possesses 12 years of experience as a child care provider and loves sharing her ideas and stimulating others to create even better ideas of their own. Denita's passion for following a child's lead to learn and grow is contagious. You will leave her session with a new appreciation for yourself and a fresh perspective on the important role you play in the
